an appeal has been preferred in the case. There is now a bill of the Advocate to be satisfied.

The only dept pleading an excuse for bearing any additional cost, the main point for consideration in this case is the source from which the excess cost of acquisition is to be met.

4) Next as regards the bill, the fees in civil cases are regulated by para 7(8) of G.O No. 1932-83 J 137 of 02-03 & 16.3.04. Bills received for final sanction were being usually countersigned by the Sr Judge - in this case it is not known what fee the Judge has awarded in the Decree as Advocate's fee.

" Adverting to correspondence ending with this Office letter No.1204 dated 12-11-10 regarding the acquisition of the land granted to the Dewan Bahadur Raghunatha Rao for the construction of a Chatram, I have the honor to state that, as the owner of the land did not accept the compensation awarded by the L.A. Officer and prayed that the case might be referred to the Civil Court for adjudication, it was accordingly done. The Sub-Judge awarded a compensation of Rs.5612/- as against Rs.3397-12-0 awarded by the Land Acquisition Officer. The Government Advocate having recommended the preferring of an appeal against the award of the Sub-Judge, sanction of Government for the same was duly obtained and the Government Advocate requested on 13-3-14 to file an appeal in the case.

" A bill in original for Rs.414-7-3 received from the Public Prosecutor who conducted the original case in the Court of the Subordinate Judge on behalf of the Land Acquisition Officer, is herewith forwarded for favor of countersignature and early return, after getting it audited by the Comptroller."

SIR,

Adverting to your letter No. 12409/Ml. 73-13-14 dated the 14th June 1914 asking me to point out the source in the Municipal Budget from which the cost of the acquisition of the land granted to the late Hon'ble Dewan Bahadur Raghunatha Rao for the construction of a chattram, in excess of the amount specially sanctioned from Muzrai Funds may be met, I have the honor to state that it does not seem to be a proper charge upon the Municipal funds in as much as the acquisition of lands in this connection was sanctioned by Government without reference to the Municipality and the compensation payable therefor was ordered to be debited to the Muzrai funds. I therefore request that the excess amount may also be ordered to be now debited to the same source. The construction of chattram being a private charity, the Municipal Council does not feel called upon to contribute towards such an institution.

In continuation of the correspondence ending with this office letter No. 209 dated 12-1-1915 regarding the source from which the cost of the acquisition of the land granted to the late Hon'ble Dewan Bahadur Raghunatha Rao for the construction of a chatram has to be met, I have the honor to state that the owner of the land obtained a decree for ₹5612/- on 22-12-1913 in the Court of the Subordinate Judge, Bangalore, on account of compensation for the land as against ₹3397-12-0 awarded by the Land Acquisition Officer. Appeals have been preferred against the above award of the Subordinate Judge both by the Land Acquisition Officer and the owner of the land, the former contesting that the amount of the award is excessive and the latter that it is inadequate, and they have not yet been decided. The owner of the land did not apply for the realization of the decree of the Subordinate Judge when it was passed. But she has now sued out an execution for the recovery of the decree amount. A notice has been received from the Subordinate Judge, Bangalore, requiring the

Vice

Vice President and is the Land Acquisition Officer in the case to appear in this Court on 28th February 1915 to show cause against the application of the claimant for the recovery of the decree amount viz, ₹ 2449-12-1, as detailed in the margin. I therefore request that orders may kindly be issued to the Mazrai Department to which the charge is debitable, to place the amount in question at the disposal of the Senior Vice President to enable him to remit it to the Court in satisfaction of the decree.
